# GOLAND

HEMP FOOD

[goland-group.com](http://goland-group.com)  

### ABOUT US:

Goland Group S.A. is a pioneer Uruguayan company in producing, industrializing and marketing hemp seed-based foods in Latin America under its own brand. It has a vertical development of the entire production chain, creating a new, innovative and sustainable food matrix with a high impact on consumers.

In 2024, it is preparing to launch two new products on the market to the market.

### MAIN PRODUCTS:

**Hemp seed oil:** Rich in essential fats, it contains Omega 3 and Omega 6. It has other healthy fatty acids such as oleic acid and gamma-linoleic acid.

**Hemp seed protein:** It is a superfood and a complete protein because it contains the essential amino acids and a high contribution of fiber and is gluten free.

**Hemp seed hearts:** They are small green and cream-colored seeds, can be used in dishes, from sweet to savory. It contains a high amount of plant-based protein and a high contribution of healthy fats. A portion equivalent to 3 tablespoons has 10 g of protein and 12 g of Omega 3 and 6.

# MONTESTOSCANINI

URUGUAY

*Pasión por la excelencia*

### ABOUT US:

Uruguayan family winery, run by the fourth generation, with a centenary winemaking tradition, Montes Toscanini is the most awarded winery in Uruguayan competitions in the last decades. Its wines combine the elegance of the Old World with the pure fruit flavors of the New World, a balance that translates into a seal of identity in each bottle.

 [montestoscanini.com](http://montestoscanini.com)

### MAIN PRODUCTS:

Fine wines. We work with different varieties. The most important one is Tannat, the emblematic grape variety of our country. We also work with varieties such as Cabernet Sauvignon, Cabernet Franc, Merlot, Marselan, Syrah, Chardonnay and Sauvignon blanc. We have a variety of young wines and oak aged wines.
