☎ (598) 2915 3838

📍 Rincón 518-528 | Montevideo, Uruguay

Mariana Ferreira has been the executive director of Uruguay XXI since March 2025.

She has a degree in Economics from the Faculty of Economic Sciences and Administration of the University of the Republic of Uruguay (UdelaR) and a Master's degree in Financial Economics from the Pontifical Catholic University of Chile.

She has been a professor in Macroeconomics at the Faculty of Economic Sciences and Administration of UdelaR since 2003.

She has worked at Uruguay XXI since 2011, when she began to lead the Competitive Intelligence team as manager.

Prior, she was manager of the Economic Consultancy department of CPA/Ferrere. She specializes in macroeconomics and finance issues and has extensive experience in economic and financial advisory firms, sectorial reporting and economic evaluation of programs.
