BEST PRACTICES IN PHARMA SUPPLY CHAIN 2025

MAY 15, 2025

CRIOLLA ELÍAS REGULES,
MONTEVIDEO, URUGUAY

INFORMATION ABOUT THE EVENT

URUGUAY BEST PRACTICES IN PHARMA SUPPLY CHAIN CELEBRATES ITS 6^a EDITION IN MONTEVIDEO, URUGUAY.

This is the largest regional event in the industry, bringing together international leaders and prominent figures in the sector. In the previous five editions, this conference has brought together, both virtually and in person, key stakeholders from the supply chain of major international pharmaceutical companies and logistics solution providers, generating an ideal space for the exchange of information, business generation, and dissemination of best practices and success stories.

The event emerges as a collaborative initiative between leading international pharmaceutical companies with logistics operations and supply chains in Uruguay, and the public sector represented by Uruguay XXI; the agency for investment promotion, export, and national brand, and INALOG, the National Institute of Logistics.

The previous edition in 2024 attracted over 250 industry experts and more than 24 national and international speakers, confirming the event as a key catalyst in the regional pharmaceutical industry.
